

Government of Himachal Pradesh
Department of Industries
Boiler Inspection Unit, Udyog Bhavan, Shimla-171001

To Whom It May Concern

This is to certify that less than ten applications annually were received in the past three years for setting up of Boiler Manufacturing enterprises in the State. Also, there is no boiler manufacturer operating in Himachal Pradesh currently, however, 3 IBR valves manufacturing units are functioning.

The Department of Industries is in the process of preparing a revised notification for registration and renewal of boiler manufacturer and erector, after which an online platform will be developed and made operational for application, tracking of status and download of final certificate by the concerned users.

R. R. Patyal

Chief Inspector of Boilers
Government of Himachal Pradesh
